## GRUNDFOS PUMPS

Grundfos offer an extensive range of pumps for domestic and industrial applications. We can assist you in selecting the best pump for your application, or you can choose your own using the Webcaps software from the Grundfos website.

### **RANGE OF PUMPS**

- > Endsuction Centrifugal
- > Vertical Multistage
- > Horizontal Multistage
- > Dosing Pumps
- > Submersible Waste Water pumps
- > Borehole Pumps
- > Solar Pumps
- > Hot & Cold water circulators
- > Agitators & Mixers

In addition to providing service facilities for the Grundfos range of pumps we can also offer supply only of service kits.
